

Downtown New Haven Inc.

August 9, 2023

Hello,

Greetings from Historic Downtown New Haven on the Missouri River!

This coming Fall, Downtown New Haven Inc. is planning once again to host The Scarecrow Festival and Pumpkin Glow on Friday night, October 20th.

This year we plan on starting the Scarecrow Festival in early September by having Scarecrow entries placed at participants businesses, community locations and residents. People then take photos and place them on the website. People will vote by likes and photo taking with scarecrows. Finally on Friday, October 20th the numbers will be counted, and awards will be given out at the Downtown Celebration, The 2023 Scarecrow Festival and Pumpkin Glow. Scarecrows will be on display in the alley that day and evening. A second chance to win, attendees of the event can vote on their favorite scarecrow. A Pumpkin Night Glow with over 300 carved pumpkins, Hayrides for kids and adults, Poker Stroll, Demo craft vendors, Costume contests and music are all in the works. All area businesses may come down and hand out candy to all those kids in costumes.

With this planning comes the need for sponsorship for this fun fall community event.

Proceeds from this event will be used for projects in the Historic Downtown.

Categories are:

GOLD SPONSOR

\$700 and up
